

## Dove Tree Recreational Rules

The following pool rules and regulations have been set in place so that all members and their guests may safely enjoy Dove Tree Pool. The final page of this packet is a contract, which **MUST** be signed by both student (8-18) and their parent and returned to the LIFEGUARD to obtain admission to the pool. These contracts, which will be kept on file at the pool, verify that the rules have been read, are understood, and that they will be adhered to or, in failing to do so, are prepared to observe the due discipline that will be administered.
